Muscles, Music, Sex, Headline Assembly Tomorrow

Probably one of the most unique assemblies of the year will be presented tomorrow at 11 a.m. in Culbertson Hall, with a large number of professional athletes, the Caltech band, and students in attendance. The headlining show will be Mr. Arthur Blackmer, noted authority on physical fitness, and his staff. Mr. Blackmer promises to tear up the big digital display in quarters and eighths, drive a 20-foot 800-pound heavy duty board with one blow to his bare foot, and lift a man clear of the floor.

(Continued on Page 6)

Prizes at ASME Joint Meeting

The ASME Student Branches of Caltech, University of Southern California, and Pepperdine College will hold a joint dinner meeting in the YWCA lounge at 8:30 on Thursday, April 11. Prof. R. L. Daugherty will act as master of ceremonies. He will be joined by Mrs. Bertha Ricketts, a member of the Southern California Section of ASME, and a number of ASME members. The dinner meeting will be followed by an informal dance. Each student from the schools will present paper. A first prize of $25.00 will be awarded to the winner. A second prize of $15.00 will be awarded to the second place winner.

Know Your Professor" Series Started By Y

The first of a series of Taped "Faculty Portraits" will be held at the home of Dr. and Mrs. LeVey on Wednesday, April 11. These firesides, which are designed to provide greater familiarization and extra-curricular contact between professors and students, have been arranged by the faculty members of the ASME. Each faculty member, after all, discussion of any topic under or over the sun which he believes will be of interest to students, and refreshments, in this case very light, will be served. Tickets for this night will be on sale in the bookstore and the PE office.

Class Elections Next Week; Nominations Close Tomorrow

Although this lack of spirit, business was carried on, and nominations opened.

Juniors Nominate, Discuss From

Juniors are expected to throw open the nomination form for the Tri-School Dance on Monday night, with Bob Hepper, Steve Morrison, and Bill Shippe.

Further nominations or corrections should be directed to Bob Mattson, Harold Newell, and Dave Brown, Ricketts, and Brown.

Frosh Meet Tomorrow

The Frosh meet will be held at 8:30 on Friday, April 11. There will be a number of new Froshmilets and Frosh organizations formed for the year, with interest in the Frosh mile, a Frosh-mile event, a Frosh-mile race, and a Frosh-mile meet.

Placement Opportunities Announced; Research, Engineering Jobs Listed

The job of secretary is being contested by Bob Davis and Bob Lavy, Ervin Markowitz and Bill Feldman will run for Treasurer.

The greatest number of nominations for the Board of Control, including those of W. A. Brown, Bob Hepper, Steve Morrison, and Bill Shippe.

L.W. Jones Seeks School Board

At the request of 10 prominent citizens of Pasadena, Dean L. W. Jones, registrar of Caltech, tosses his hat into the political ring Tuesday when he announced his candidacy for the Board of Education in the coming elections. The nominating group feels that Dean Jones is particularly qualified for the position and not only for his wide experience in the field of education and his opportunity to apprise the publics of many schools from all over the country.

Dean Jones, in accepting the nomination, said that the opportunity afforded for service in a field familiar to him is one he wishes to run, and that if elected he would do his best to make it a success. The student body of the schools that will be attended by the student body of the schools and officials available. Pledged further to keep informed of the effectiveness of the school system, and with this effectiveness not greater, to take appropriate action.

Placement Opportunities Announced; Research, Engineering Jobs Listed

EPHEMERA

Still Poor

There aren’t the apparently very elastic nature of class constitutions and there about is doubtful whether it would be possible to hold class examinations at any time in the near future at Tech.

It is decided that the first section will be held at 2 p.m. on the 15th of this month. Those who will be absent from class examinations will be eligible to participate in the first exam. Those who will be absent and will miss the first exam will be required to take an extra exam.

In This Issue

A new feature, "Your Campus", makes its debut. In it John Whitesley plans to take his readers into Barn, Bar, Barlee, Barlee, and the campus and get into the insti- tute labs and research programs, emphasizing particularly the best known ones. Turning to the sports pages, a recent update on the intercollegiate program is featured. Called "Rolling To Over," it will be the brainchild of Stan Barns and Paul Timms, the present and past AISC athletic managers who have completely reorganized the campus gym.

Poor Man’s "Front Burner"

As a result of expanded research this observer has decided that the way to cut costs of this picture is to see if there is a way of reducing the size of the picture. In doing this there will be a need to look at the pictures and cut them down to the essentials. There is one, best plan to head some- where in this direction without inside lines are thus good ones.

Dr. Robert Sharp
Appointed To Staff
Tech Grad Strengthens Geomorphology Division

The California Institute of Technology is announcing the appointment of Dr. Robert P. Sharp as Professor of Geomorphology at the University of Minnesota.

Dr. Sharp received his Bachelor's degree in 1934 and his Master's degree in 1935 in Geology at the California Institute. He was a three-year letter man and in his senior year was Captain of the football team, as well as Student Body President. He was a member of Tau Beta Pi and was awarded the honor key on graduation.

In the fall of 1935 he went to Harvard on a scholarship and in 1936-37 was holder of the Woodworth Travelling Fellowship, awarded by Harvard University. His Ph.D. degree was obtained at Harvard in 1937.

On completing his graduate studies at Harvard, Dr. Sharp joined the faculty of the University of Illinois, where he remained until after the outbreak of the war, when he was commissioned in the Arctic Desert and Tropic Information Center of the Army Air Forces. On release from war service he went to the University of Minnesota. He is the author of many scientific papers, the majority dealing with problems of geomorphology.

Tech Civils To Attend
ASCE Spring Conference

A group of California Institute of Technology civil engineering students, members of the American Society of Civil Engineers' Student Chapter there, has been invited to attend a conference in Hotel Westward Ho, Phoenix, Arizona, April 24, during the three-day Spring meeting of the Society, scheduled for April 23-25.

The students will hear leaders of the civil engineering profession, some 600 of whom are expected to attend.

Eight technical sessions will mark the three-day meeting, at which leading civil engineers, experts on irrigation, reclamation, highways, air transport, sanitary and other civil engineering fields, will discuss post-war problems.

The 94-year-old American Society of Civil Engineers is the oldest national engineering organization in the United States, and throughout the country there are 123 student chapters affiliated with it.
Cal Tech Topped By Tough Tigers
Oxy Scores 7 Runs In Ninth To Win 12-7 Game

The Beavers came within one strike of winning the ball game against Oxy last Saturday, but a lucky hit opened the game and six runs scored in the last two innings. The Beavers hit the ball hard, but it was a tight game until the ninth inning, when both teams matching runs for run in the first three innings. After Oxy scored two in the first, the boys came back with two runs in their half as Hatrick singled Petrozzi and Norman home with two away. The same thing occurred in the second and third innings, each team scoring once in both innings. The Beavers went ahead, 5-4, in the fourth, but Oxy tied it up in the fifth.

Break in Sixth
The break that looked like the ball game came in the sixth when Oxy's third baseman, Petrozzi's grounders go through him to score two runs. From then on until the end of the game, it was a one-two-three for both teams. The Fatal Ninth
The first man up for Oxy in the ninth bunted safely, and after the next man hit, he went to second on a double. The next batter grounded to Norman, who threw to third, forcing the runner. That made 2 out. With one man on base, the next single sent him to third. Hedrick got two strikes on the following hitter, who popped a lazy blooper to right field. The ball fell just two inches from Peterson's glove for a triple, which sent Canadian right over the plate. Then, with Dean on base, Oxy went to another hitter. Then on it was Oxy's ball game as a hit and several errors compiled four more runs. It was the weakest game the team has lost this season.

Competitors Fail To Turn Up Sunday For Lily Interhouse Ski Trophy
Ski Club Declares Trophy Forfeited To Dubney; Ugly Rumors Answered

With official word circulated through the athletic managers of the houses, that the meet was to be held, runners were assembled on the parking lot back of the Old Dorns at 7:30 a.m. Sunday. It was felt that the announcing of the race had been made sufficiently definite. However, when the brilliant sun rose over the parking lot Sunday morning, Warren Schilinger, manager for the race, and three constables from Dubney were all who appeared. On running the skiers of the other houses from their sacks, the inevitable reply was: "Team—i don't feel like racing today."

Forfeited To Dubney
Thus it was decided that because of lack of enthusiasm in other houses (possibly accentuated by the fact that most of the runners in the Dubney meet were featured in the skiing section) the Dubney skiers went back to bed. Ski Club Comment
It has been criticized that the meet was not held last term. A ski club meeting was held last January primarily for the purpose of planning the meet. Nineteen people came to that meeting and voted to postpone the meet indefinitely. If there were ideas about time schedule why weren't they voted on then?

Famous Last Words
"A bunch of us got together late one night and decided that it had been such a long time since any of us skied, that someone might break a leg or something if we raced."

Golf Team Wins Second Victory; Defeats Redlands
Meet Strong Pomona Team Tomorrow; Conference Title May Be at Stake
The Cal Tech golf team scored one of its second straight wins of the season in as many attempts by defeating Redlands, 4½ to 3½, at Santa Anita, the Beavers' home course. Losing only one of the six matches, the strong Technch, paced by Jer- ry Harrington with a 74, Big Bob Civay with a 77, and Dave Douglas with a 79, had little trouble in besting the Bulldogs. Pomona Tomorrow
Tomorrow afternoon at 1:50 p.m. Tech is host to a reported, by strong Pomona squad at San- ta Anita. If Pomona can be de- feated the golfers will be on the way to a Conference victory. Whitten, Redlands and Pe- mona will be replayed on suc- cessive Fridays.

Individual scores:
Harrington (CIT) def. Thompson, 2
Kimmell, 6; Civay, 6; Parke, 8; Douglas (CIT) def. Smith, 2 and 6; Kimmell, 8; Smith, 10; in Stagg.

CAL TECH AT OXY
Here are the scores:
OXY: 239, 240, 239, 241-
CIT: 249, 240, 249, 247-
The Oxy golf team played Wednesday afternoon at the Oxy golf course, and put up scores of 239, 240, 239, 241, which puts them at the top of the Conference for the time being. CIT put up scores of 249, 240, 249, 247, which sees them in second place.

CAL TECH AT WHITTIER
The CIT golf team played at the Whittier golf course Wednesday afternoon, and put up scores of 250, 250, 247, 249, which sees them in second place.

PASADENA BOWLING
Games are played in the Caltech Social. Free time is available for practicing and those desiring to compete against the Caltech players may sign up for a chance to win the Bowl. Scores are kept and regular practice is given.

Beavers Defeated By Poet Spikemenn

Eloy Chinn Sets New Record in Broad Jump

Beavers do well in the Oxy Invitational and set new record in the broad jump with Eloy Chinn clearing a distance of 23' 2".

Snow

Some of the best snow conditions in history seem to have been experienced this Friday, so individual, high in the ranks of the Ski Club, made the round of the Ski Club members and the conversation seemed as light as the white stuff. "Don't you want to race, do you?" You Won't, whether does anybody in the other house, so we won't have it.

Lame Duck

Apparently, there was a sudden change of plans, which many in authority decided to go through the correct channel, with the house officers from reaching the police station. But most of them knew about it, as it was a normal Saturday afternoon "something about skiing -

Fortune Not Legal

From what I have been able to discover about the rules of Oxy Men's Swimming Team Entry

Team Meets Pomona Wed.

Compton Next Thurs.

Left Friday the California swimming meet team met all-powerful Oxy team at the PJC swimming pool. The air was bright, yet the weather fine, but Oxy still won. Oxy, by the way, is the defending Champion for a very good cause of reason. The league, we have one more chance to take this great team in a future meet, and the odds are all in their favor.

Pomona at PJC

By the time you read this column the splasher of Tech will have already met Pomona at the PJC pool. Of course the results will be out, and it is a before-hand prediction that Tech will have a game to its credit.

Compton at PJC

Next Thursday, April 24, the team meets Compton JC at the PJC pool in another home match. It is safe to say that you won't be sorry. The Compton splashers are

Dahlias."

Thursday, Bob Crichton in the Greasy the Hall, Munisingwe at the Dahlias."

were the opinions presented as Bill Palmer, Mike here we are, and the opinions presented as Bill Palmer, Mike and Jay Henderson, Bill Harris, Jack and Throp sing up prospective tailgaters.

Turning now to the training room where Doc Harris and his Muscles MacLean, Rubber and John do the daily workout amidst the aroma of the gas from Doc's pipe. We find the Oahu Cannon, Eloy Chinn, and Bill Palmer are kicking around nightly gin-gummy under the best lamps. While in the corner we find the shin-split kids. Muscles MacLean, rubbing Doc's books are polish and limber over his combined 120 pounds with the boys in the Conference Meet Saturday.

"The time has come," the Walrus said, "to speak of baseball games, football, basketball, water polo, and the daily joys which featured Hufsin' Hal and his Hilarious Hyenas which were clubbing the Bengal in the diamond for eight straight games. And it looked like a merry-go-round in that way. The Tigers played the circuit. But the squad battted well and the new game showed up the old fashioned Beavers on top once more.

Fleming Challenged by Blocker For Disobolus

In an attempt to capture the primary leadership of the student's union organizing committee has challenged Fleming to a swimming meet seeking election in the spring. The meet will be April 24 at 4:30 at the PJC pool. The meet will consist of the usual events, swimming, relay, 200-yard breaststroke, and 200-yard freestyle.

Beavers is said to have awkwardly picked these events as Bill Palmer, Mike and Bob Hufsin. Several members of the Beaver swim team, shine in these races.

President's opposition will consist of Chuck Murphy, Al Esche, Jim Mapes, Jay Montgomery, and Hank Schoderbuck.

Fleming woos Disobolus from recent events and test and retained it when Rick sent off a tennis challenge.

were the opinions presented as Bill Palmer, Mike here we are, and the opinions presented as Bill Palmer, Mike and Jay Henderson, Bill Harris, Jack and Throp sing up prospective tailgaters.

Turning now to the training room where Doc Harris and his Muscles MacLean, Rubber and John do the daily workout amidst the aroma of the gas from Doc's pipe. We find the Oahu Cannon, Eloy Chinn, and Bill Palmer are kicking around nightly gin-gummy under the best lamps. While in the corner we find the shin-split kids. Muscles MacLean, rubbing Doc's books are polish and limber over his combined 120 pounds with the boys in the Conference Meet Saturday.

"The time has come," the Walrus said, "to speak of baseball games, football, basketball, water polo, and the daily joys which featured Hufsin' Hal and his Hilarious Hyenas which were clubbing the Bengal in the diamond for eight straight games. And it looked like a merry-go-round in that way. The Tigers played the circuit. But the squad battted well and the new game showed up the old fashioned Beavers on top once more.

Fleming Challenged by Blocker For Disobolus

In an attempt to capture the primary leadership of the student's union organizing committee has challenged Fleming to a swimming meet seeking election in the spring. The meet will be April 24 at 4:30 at the PJC pool. The meet will consist of the usual events, swimming, relay, 200-yard breaststroke, and 200-yard freestyle.

Beavers is said to have awkwardly picked these events as Bill Palmer, Mike and Bob Hufsin. Several members of the Beaver swim team, shine in these races.

President's opposition will consist of Chuck Murphy, Al Esche, Jim Mapes, Jay Montgomery, and Hank Schoderbuck.

Fleming woos Disobolus from recent events and test and retained it when Rick sent off a tennis challenge.
Thomson Appointed
By Governor Warren

Appointed by Governor War­
en as member of the Colorado
River Board of California re­
cently Thomson attended the first meeting of this six­member body

Engineering Training Important

It is not too soon to begin engineering preparation rather than only the needed if the industrial designer ser­
vice industry, and so, in 1914, the industrial design department of Caltech campus; it was destined to become the most famous in the country.

The course includes training in desirable habits, fundamental uses, production aspects, aesthet­
ic, and business management.

It is given by Mr. Youtz and
other instructors, three of whom, in­
cidentally, are partners in a Pas­
dena consulting firm called "The
American Industrial Design As­
sociates, Ltd.," in Los Angeles.

Colgate Alumni
Mr. Youtz, C.I.T. '17, returned
to Caltech in 1932 before this he enjoyed a most interesting career stationed with General Electric in New York, and later became the position of vice­president of Los Angeles General Electric of Brazil. At the present he is in the exec­
tive career, he is in the exec­
tive position as president of the California Institute of Technology, and director of the school's internal and external business.

During the war the Industrial Design Department has been the center of critical activities, such as a ship builder, its only metal being the cell of a single room, it has been the product of the improvements included four female research assistants.

A more complete idea of the activities and purposes of the department can be obtained from the current issue of "Engineer and Scientist."
