J. E. Wallace Sterling Named To Succeed D. B. Tresidder As President Of Stanford

Appointment Announced During Special Trustee Board Meeting

J. E. Wallace Sterling

Outside the University

Sterling is a distinguished au-

tor in Canada. He received his

postgraduate work at Harvard

where he was Phi Beta Kappa and

Hyland, on July 19. He had been

instructor in geology at the Uni-

versity of Illinois, 1937-41, and

instructor in geology and min-

eralogy at the University of Cal-

ifornia, 1941-42.

He was a member of the pro-

fessorial staff at the University

of California for four years be-

fore being appointed to the

presidency of the University of

Stanford.

Sterling was born in 1893 in

Mount Pleasant, Michigan. He

received his A.B. degree from

Western Reserve University in

1915, the M.A. degree from

Chicago University in 1917, and

the Ph.D. degree from the

University of Illinois in 1920.

He is a member of Phi Beta

Kappa and the Minerals Industry

Club, and is a fellow of the

Society of Economic Geologists.

He is also a member of the

Academy of Natural Sciences of

Philadelphia, and the American

Association for the Advancement

of Science.

Sterling will take up his duties

as president of the University

of Stanford on July 1, 1949.

Covered EN

Both the Stanford University

Student Council and the

Senate have endorsed the

appointment of J. E. Wallace

Sterling to the presidency of

the University.

The council, in a meeting

Thursday night, unanimously

voted in support of the ap-

pointment of Sterling, who

will succeed D. B. Tresidder

as president of the University.

The students' council proposed

that the name of J. E. Wallace

Sterling be placed on the slate

of candidates for president

of the University.

The council also stated that

Sterling's name be placed on

the student council slate for

vice-president and the senate

slate for secretary.

The council passed the fol-

lowing resolution:

WHEREAS, the students of

Stanford University have

approved the appointment

of J. E. Wallace Sterling

as president of the University,

NOW, THEREFORE, the

Student Council of Stanford

University recommends

the following:

1. That the name of J. E.

Wallace Sterling be placed

on the slate of candidates

for president of the University.

2. That the name of J. E.

Wallace Sterling be placed

on the slate of candidates

for vice-president of the

student council.

3. That the name of J. E.

Wallace Sterling be placed

on the slate of candidates

for secretary of the senate.

The council also passed the

following resolutions:

WHEREAS, the students of

Stanford University have

approved the appointment

of J. E. Wallace Sterling

as president of the University,

NOW, THEREFORE, the

Senate of Stanford University

resolves as follows:

1. That the name of J. E.

Wallace Sterling be placed

on the slate of candidates

for president of the University.

2. That the name of J. E.

Wallace Sterling be placed

on the slate of candidates

for vice-president of the

student council.

3. That the name of J. E.

Wallace Sterling be placed

on the slate of candidates

for secretary of the senate.

The Senate also voted in favor

of the following resolution:

WHEREAS, the students of

Stanford University have

approved the appointment

of J. E. Wallace Sterling

as president of the University,

NOW, THEREFORE, the

Senate of Stanford University

resolves that the name of J. E.

Wallace Sterling be placed

on the slate of candidates

for president of the University.

Oxy, Loyola Best Water Polo Pair

Last week was liked golden for the Caltech water polo team. The Loyola and Palos Verdes squads drowned the Tech tankers in two engagements which broke up with a hapless Beaver aggravation.

The Loyola Lions, who have been just about all the prominent teams in Southern California, continued their winning ways with a victory over CIT 22-9. Bill Fierce and Rick Libbey accounted for all of Tech's goals, while Merl McCluney of the Lions equalled the total Beaver effort with five tallies.

At Eagle Rock last Friday, the Tech lily panners were defeated in the final minutes of play by a hard fighting Occidental team. The Orange and White overtook the Oxy equal in the 1st quarter and went into the lead by just one point. But the Tigers with a valiant rally tanked three goals in the closing minutes to pull ahead of the Tecnicians and went 13-11 in the final minutes.

Rickckett Survives Rough Week In Intercollegiate Bowling

In the hottest week of intercollegiate bowling yet, Rickckett came out on by winning seven out of eight points. Thropp and Edsall each managed 464 points while Blacker and Fleming had it in the bag with three and two, respectively. All houses except Fleming raised their averages as Tech bowlers hastened an overall mean of 196 this week, far above the usual 138.

The Manager of the Student Houses or a subordinate chairman, chosen by the Presidents of the Associated Students, the President of the Students' Union, or the student authorized by the Resident Director of the Student Housing office, may at any time enter a room in an emergency. The room should be locked upon completion of the inspection.

10. Violations of these rules shall be reviewed and penalties determined by the U.C. Committee on Student Conduct, subject to appeal of the aggrieved student, in accordance with the University's procedures for appeal of student disciplinary matters.

11. During vacations none of these rules shall be in force.

The reasons for the first three rules are sincerely clear.

There should be no objection or discussion on them.

Rules 4 and 5 belonging together, Rule 5 is to keep on the roof from damage, while Rule 4 is to maintain a neat appearance of the rooms and to prevent any debris from being charged against the student's account. Building and Grounds find in an efficient and smart working of an entire group of dormitories to the same that the more of the students who put up the roof the better.

All of the other rules are clear. The fact is that no house has been free of violation of the rules - that no house since there has been no trouble, that no house since the war. Perchance the troubles that will become more predominant in the student's life when the number of citizens - freshmen will again increase.

Leatherliners Upset Redlands To Head League

Caltech's championship bound Powders made some waves at the batting's grizzled nine mile course last Friday.

Placing first and second for Redlands were Livermore, finishing in a first time of 16.05, and
decade. Marston, Cornellian, Peterson, and Cobb crossed the finish line in 1st, 4th, 8th, and 10th, respectively for Redlands.

The Beaver Harriers, fired up by a pressure packed uphill and showed the first victory from Redlands in several years.

So far the Beaver's outlook is good for winning the conference championship cup at the 8 mile run, in 111 varsity. Redlands, which has been defeated only by Tech in conference meets, has beaten Pomona and Whittier. The Beavers meet Whittier's team this Tuesday, and play Santa Barbara next Saturday.

Soccer Squad Ties Pomona In Finale

Friday afternoon the Tech squad played at Trauma Park, a soccer match to start this season, and Pomona, which started out several teams behind the front of the game was played in the front of the game. Tech de- feated a stunted field and no score was made in the first half.

On the third quarter Pomona drew first blood by scoring during the period. In spite of having almost constant possession of the ball in the last quarter, the team couldn't score until the last minute. Right wing Dave McCullough had a first half goal. Because of darkness the tie could not be played off.

Hustlin' Hal Takes Honors In Grid Prognostications

With most of the 1968 foot ball games recorded in the house of alumnus of the future for re- cognition at class reunions, the results from Pomona. Prognostications have been completed.

Hot Wins

After three weeks of close competition, Hal Massuman was named in from by a healthy tied decision, the "experts," Coach Anderson and the Tech's line of the match. In spite of having almost constant possession of the ball in the last quarter, the team couldn't score until the last minute. Right wing Dave McCullough had a first half goal. Because of darkness the tie could not be played off.

Hustlin' Hal was given the honor of being the best grid prognosticators of the season.

In spite of having almost constant possession of the ball in the last quarter, the team couldn't score until the last minute. Right wing Dave McCullough had a first half goal. Because of darkness the tie could not be played off.

Hustlin' Hal was given the honor of being the best grid prognosticators of the season.

With most of the 1968 foot ball games recorded in the house of alumnus of the future for recognition at class reunions, the results from Pomona. Prognostications have been completed.

Hot Wins

After three weeks of close competition, Hal Massuman was named in from by a healthy tied decision, the "experts," Coach Anderson and the Tech's line of the match. In spite of having almost constant possession of the ball in the last quarter, the team couldn't score until the last minute. Right wing Dave McCullough had a first half goal. Because of darkness the tie could not be played off.
Bowlers Drop Close Match To USC As Tech Rally Fails

Caltech's bowling team lost another close match to USC this Sunday evening at the Trojan hotel in Los Angeles. Tech girls did an early lead by taking the first game by 65 pins, then came up just three and lose the second string by a sliver for a 15-pin deficit going into the final game.

TROJAN LEAD DEFIES

The score was 65-65 in the seventh frame of this game when Tech started to pull up in an attempt to pull an Arizona affair. Tech held on, however, to win the game by a mere five pins, and the match by only 19. The victory could have been reversed by another well-placed Tech strike.

Highest series of the match was bowled by Woody Bruton of Tech as he put together a pair of 179 games with a 576 total. Best scores for the Trojans were made by Paul Brooks with a 184 game and a 55 series.

STERNLING SUCEEDS

(Continued from Page 1)

October, 1948.

In commenting upon the appointment, Mr. Paul C. Edwards,
President of the Stanford Board of Trustees, said today:

"We are indeed gratified to adduce a man of Dr. Sterling's
marked ability and scholarly acumen to be the new president of
Stanford University. He will come in the campus not as a stranger but as a former student
who spent five years there pursuing research and graduate work in preparation for his
Ph.D. degree.

Since leaving Stanford his career in the educational world has
been exceptionally noted and has commanded respect, teaching and administrative duties, the kind of
experience that fits him well for the exciting responsibilities he will assume as head of the
Stanford faculty.

"As director of the famous Huntington Library at Pasadena, he occupies a place of
distinction in intellectual leadership. We consider it most fortunate that he has recognized the Stanford
presidency as an opportunity for still greater achievement in that direction and as a challenge to
his talents as a scholar and teacher. We are confident that the university, under his guidance,
will be wisely administered and adhered to in accordance with the high standards established by its
founders and carried forward as ably by his predecessors in the
office of president."
