Frosh Take Third In Battle at Oxy, Dick Libby Sets New Record in 220

In a record setting Conference Swimming Meet held last Saturday at Oxy, the Caltech Varsity squad placed a substantial second, and the Frosh team entered the third on the list, thus taking the third place. The Frosh team was also second in the Frosh-Nines events.

The Frosh men's team, led by Dick Libby, broke the 220 yard free style record at 2:28 but Libby was not quite down to his new set record.

The Frosh team also placed in a race for the first place in the 440 yard free style in the new Caltech record of 4:53.6.

The usher team records were set in the Medley relay by Oxy's Bruaker, Evans, and Wadsworth at 3:12, in the Varsity 200 by Oxy man, Foster, at 2:53.5, and in the 300 yard free style by Oxy's Bondy at 55.6 sec., a new Frosh record.

Outstanding race of the day was the breast stroke in which Bill Palmer lead Tigerman, Brubaker, throughout 200 yards to win.

The Frosh team's first place. Although Bruaker had won over "The Will" Palmer in two previous meets, he proved unable to overcome the last which Palmer quickly obtained in the first lap of Saturday's race.

Tecumseh Jay Montgomery and Mike Rall pushed Oxy's Wadsworth through the 150 yard backstroke in the second sprint spot of Caltech where they took both second and third places.

Bruaker, Bill Harris, took second in the 100 yard free style by missing Tigerman Wolf, and the Engineering men upset the second places in both the Medley and 400 yard free style relays.

Although the Tigers piled up a formidable final score, most of the races were very close. It was an excellently run meet and offering exciting and stimulating.

Three men, was the only member of the squad able to place in the top ten. All of the others were eliminated.

Caltech's luckless track team lacking anybody to take a place in the javelin, lost their final track meet of the season to the Uni-

versity of Redlands by the very close score of 46 to 45 last Friday in Tournament Park.

Broken Records

This year's record breaking rampage rolls on at a rapid rate as Hal Tyson knocked the shat-

ter put record held by Don Tillman clear of sight by adding 9 inches on the Don's old mark of 47 ft. 3 in. Tyson's new record of 48 ft. 4 in. carries with it the number of school records broken this year.

Many Firsts

There were several good per-

formances turned in by the local athletic teams. The most thrilling sec-

tion of the day was the 880 in which Dick Cornwell, running his first half mile in competition, tied with the Redlands man for first place honors in the very re-
spectable time of 2 min. 16 sec.

Bureau Back

Stan Bureau was ready to run for the first time since he pulled a muscle in his leg early in the season. He showed well by tak-

ing a first in the 440 in 51.5 sec.

Ancient Earl Brown took sec-

ond, Bob Parks who has also been nursing a bad leg muscle all season, came through with a

Tech Varsity, Frosh Nines Meet Oxy Here

Caltech runners will be raced in a simultaneous doubleheader tomorrow afternoon when the Varsity baseball squad plays out Tigers on the northwest corner of Tournament Park, and the Frosh meet the Tigers on the southeast corner of the field. The Varsity game is set for 4:30, while the Frosh begin play at 3:30 p.m.

Second Varsity Meeting

In previous contests the Pre-

tiffers have lost in the Tigers 11-6 but Friday's game will be anything but pushover for the Frosh at full strength. In two Frosh games the Oxy Froshmen have outdistanced the Tech Frosh each time. Saturday's contest will end the season for the Frosh.

Golfers Drop Second Meet

Last Friday at Montebello, the Caltech golf team suffered its second defeat of the season again at the hands of Pomona. This defeat puts any possibility of Tech taking over first place honors from the Tigers. The match was the same 1 over all, and the outcome was decided until the last put had been dropped. When the points were finally totaled, Tech came out on the short end of a 91-80 score.

Entered from Caltech will be Bill Shirer and Ed Alexander, since they hold the num­ ber one and two spots at Tech. The doubles entries have not yet been decided.

In schools, the track team seems to be plagued by the same trouble as most Tech teams, that is lack of depth and experience. No school in the conference had any depth, if as much, as we did in the way of outstanding individ­ ual athletes, however, lacking men in take seconds and thirds was the prime reason for Tech not taking more meets.
