Bringing Reynolds Aluminum Coach To Tech Today

Carrying the story of aluminum through its development, the display coach of the Reynolds Aluminum Company will be on campus Thursday, March 11th, between 10 a.m. and 5 p.m., in the location just south of the Ma-thers Library. The display coach is an entity that will give this story of the newest and most imaginative trend of material forms. The coach is made up of different parts, some of which are made from aluminum. The panel car, the dining car, the sleeper car, and the baggage cars all are made from aluminum. Reynolds Aluminum is one of the largest manufacturers of aluminum products in the nation.

Comedy to Highlight Show Set For 8:30 Tomorrow in Calberston

Undergrads Urged to Bring Dates; Dance to Follow in Humanities Lounge

The Hank McCune show scheduled for tomorrow night at 7:30 in Calberston has been set back until 9:30, the reason being that the band at Tech were unable to be made. Instead McCune will bring his band for an after show concert, which will be quite popular.

In making the following show there will be a record dance in Donley Hall with a smoke screen effect.

Both the show and the dance are expected to be a complete success. The entertainment for the evening will be provided by the Phil Garne Quartet, who are currently signed at Donley Hall.

In order to make the event in Humanities Lounge successful, the administration is urging all undergrads to bring a date with them. Those who do not have a date will be able to attend the dance alone.

The show will begin at 7:30 and the dance will follow at 8:30. Admission for the dance will be $1.00 per couple, or $1.50 per person. The proceeds will go towards the Student Union Fund.

The show will feature a variety of acts, including a band, a singer, and a dancer. The band will play a variety of music, including rock and roll, jazz, and blues.

The singer will perform several songs, and the dancer will showcase her skills. The performance will be entertaining and enjoyable for all attendees.

In conclusion, the show and dance in Humanities Lounge will be an exciting and entertaining event. With a variety of acts and a location in a fine university lounge, this event is sure to be a success. Attendees are encouraged to bring a date and enjoy the performance.

J.E. Wallace Sterling To Head Huntington Library Group

Caltech Expert on Current History
To Retain Ties With Institute

The appointment of Dr. J. E. Wallace Sterling as Director of the Huntington Library, Art Gallery and Museum was announced today by Dr. Robert A. Millikan, Chairman of the Board of Trustees of the Institute. This appointment is effective on July 1, 1937. The directorship of the Library has been vacant since the retirement of the late Dr. Max Fink several years ago.

The Tech Faculty Since 1927

Dr. Sterling received his Ph.D. from Stanford University in 1927 and has served as a member of the Research Staff of the Hoover War Library at that institution. Since 1931 he has been a member of the faculty of the California Institute of Technology and is now Edward H. Butler Professor of History and Government.

He was an ardent supporter of the Fellowship of the Social Science Research Council, and was a member of the Committee on American Universities when he was a member of the Department of the Navy.

The acceptance of his new position is the result of his resignation of his regular appointment at the Institute, but it is anticipated that he will continue to take the occasional lecture.

Altadena Scene of Blackening-Dining-Dance Affair

Last Friday evening Florence and Blackpool rolling their talents and resources for one of the popular affairs of the current social season. The evening was a formal and chivalrous event at the Altadena Town and Country Club.

Midnight flourishes and flowers against a background of light classic music the dancing couple enjoyed an excellent dinner, dance which featured an entire five course prime rib menu. Throughout the evening everyone was refreshments was provided, a feature which appeared to be appreciated by those present. Sufficient to the dinner was enjoyed by Mike Miller and his guests, which included such people as Nancy Lampen, Roy Henson, and Mrs. Mischel, Mrs. Lowe.

Some Confusion

These fellows proved that they could turn out a smooth dance as worthy of acclaim as their more famous jazz work, and their offerings included a generous selection of ragtime, tango, char and waltzes, in addition to the more modern dances.

Decorations were characterized by unusual lighting effects and done by large replica of the shields of the respective bases on one wall of the ballroom.

Dobney was just a bit of a bunch of birds this last week end. While everyone else was rollicking and frolicking in dally fun and completely knocked out into place, Dobneyson (at least 35 of them) were still enjoying a fine healthy beach party. Oddly enough, one man even was sent down to the water. In general the air atttitude was just about the same as everyone else’s but they were just about to make a break. Frank Wild was down there with the girl he is currently falling asleep and Janessa Biggs. A few more week end like this now and Franks will have to go to a semitoga.

Blackie and Fleming put their heads together and decided to put on a formal. One test of prog- rammists that fact that the Alas- ka Islanders team was on their way to a third round in the N.H.L. The Islanders team was made up of players from various NHL teams. The Alaskans were able to beat the Islanders and won the game. The Alaskans are a team of players from the Alaska state league. The team is known for its strong defense and physical play. The Alaskans are led by Coach Mike Johnson, who has been with the team for several years. Johnson is known for his coaching skills and his ability to motivate his players. The Alaskans are currently in first place in the league and are looking to make a strong run in the playoffs. The team's next game is against the Anchorage Racers, who are currently in second place. The game is scheduled for this weekend and is expected to be a close contest. The team is looking for a win to solidify its position at the top of the league.

Kypopoulos Host To Fireside Group

Peter Kypopoulos and wife were hosts at the concluding Sunday Night Fireside of the term. Refreshments at this high-ly successful gathering included hot featureed popcorn, sausages, and gallon of hot spiked cider. Mr. Kypopoulos gave an interesting talk on European universities and their extremely exclusive fraternities. Dusting and marring, he related, are prominent features of student body activities on the continent.

More Scheduled

Many enjoyable Sundays are in prospect for next term's Fireside series. Mr. Brett, Caltech Assistant Comptroller, will introduce a group of Russians in his beach home in Balboa for the day. Members of the Board of Trustees and Institute Associates, including prominent business people who have shown an active interest in Caltech, are to be invited.

Most Popular "V" Function

The Fireside series was voted the most popular "V" function in the recent questionnaires. It is hoped that next term even more people will participate.
