Three Plays Slated For Drama Group

The Caltech Drama Circle was stunned by news that Carl Price had gone out on the stag, as the news broke tonight that three stills and guns had been chosen for the third act performance.

After hours of tense debate at the Dupont Theatre in Los Angeles, the decision was made and the following trio was chosen:

A Night At An Inn, Late Drama, and Late Drama.煎

A total of ten male and two female parts are now to be cast, and preparations are being made for the opening night performance on February 12.

Brews

"Oh, drinking beer at Mountain Oaks and we were having fun. But then it started to rain and we had to move the beer inside."

And thus ended one of the best experiences in the history of Laity Park. It was a rainy day, but the wetness did not dampen the spirits of the attendees. The weather was perfect for a good time, and everyone had a blast.

The popularity of the activity was indicated by the number of people who showed up. If I listed all the people there, you'd need even more than a Script on number names per page. The facility was fully booked, and there were only a few who didn't show up.

Ricketts Brews Filling

To summarize briefly, the rite of Ricketts men made a fine sweep for the evening, winning the former contest and then the crew race, which really couldn't be called a race as all four finished five men ahead of the Restmen who just don't seem to go for this little filler.

Next, and Others, Attend

Not to be belittled, I'll only mention that many individuals not seen out of their holes previously this year were seen.

All in all it was a very successful day. So far we have had so far for this race, but when there are only 24 days of shut down of shut down of shut down until the real show is on, the following trio was chosen:

A Night At An Inn, Late Drama, and Late Drama.煎

Cable to the "Cross Roads"

The "Cross Roads" guide plate through which telephone signals are transmitted in their proper relative position while being sent through the frames before being converted into a telephone cable. The wires passing through the guide plate to the flyer stander are kept under constant tension by a precise motor and a very sensitive controlled device at each end. The supply of electricity to these Electric engineers, this mechanism prevents defects by keeping the wires from being attached to the frame in an incorrect position.

Engineering problems are many and varied at Western Electric, where manufacturing telephone and radio apparatus for the Bell System is the primary job. Engineers of every kind work in aeronautical, metallurgical—are constantly seeking to devise and improve machines and processes for mass production of highest quality communications equipment.
Clean Sweep Lifts Danbury to Fourth Place
By taking a clean sweep of all of its eight games, Danbury became the story of the first week of the interleague league this week. Adding to their glory Danbury’s No. 2 team fired a hot 233 series, high for the week. Meanwhile Theresa won six games; Rieters, 3; Blackers, 2; and Fleming only 1. At the halfway mark in the league, the standings now read: Theresa, 46; Fleming, 26; Rieters, 23; Dolby, 22, and Blacker, 21.

Football action of the standings was the terrific game rallied by Don Duffin of Morgan Hill. Starting with nine plus in his first frame Don encountered to pound the wood with eight perfect consecutive strikes. Tapping off with nine plus again in the last frame, he wound up with 301, for the highest game yet. According to Don, the highest game he has ever balled was a 315.

Three Ball Over 200
Several other 200 games were rolled this week. In fact, according to Curt Fox of Blacker’s report his team of 219 and Bill Hess of Rieters with 207, both teams individual series honored with only one 200 series over the day of over 500.

THE CIGARETTE THAT SUITS ME BEST IS CAMEL

Cagers Falter, Lose To Poets
When a deciding conference match, coming second to Occidental in the current league at the season Tuesday night at the Armory, a hard-fought battle set back for the Engineers, a narrow edge over Calmen to keep their third place position in the league.

Bill Moore, Poet center, led the visitors with 11 points while Billman was high for the Engineers with 18.

Whakker pulled ahead at the last minute to put his team ahead in the middle of the game. A slight mistake on the Engineers part to miss their only rally of the evening enabled Billman to build his lead to 22–16 at halftime.

However, the Engineers came coming back to the second half, outscoring the Beavers, 15 to 8, in the next 7 minutes. The Beavers old manager to use this 15 to 3 margin to 38, and at this point, only two minutes remained and the visitors' lead was far from being a grove danger. From this point William Moore led the final 14:42-scoring.

The 1947 conference title at stake Saturday night was Leon between the two teams we're coming up against this season. If he doesn't get the call as in the scoring of the starting backs on the All California team is making big mistakes.

Why I smoke Chesterfield

(From a Series of Statements By Prominent Tobacco Farmers)

"When I bring my tobacco to market I'm always
looking for the Liggett & Myers buyers because I
know when I've got real good wild, ripe sweet tobacco
they'll pay the top dollar for it.

I've been a Chesterfield for about 25
years. I like their taste and I know the kind of
tobacco that's in them."
