Nominations Assembly to See ASCT Candidates Nominated

The last event of the evening was the Redlands Assembly's first feature talk of the year to be held at Redlands this March; and mobile assembly plant in Los Bridge early on Monday night. Corporation, who spoke on the mer-

TALK ON JOB SEEKING

WHO TO SPEAK AT ASME MEETING

Professor Rothrock then introduces Prof. Herbert Craig to the status of his research. The main points of his research are: 1. Difference between the status of his research and the status of the Society, and 2. The status of the Society.

The first event of the evening was a three-ringed boxing match between Prof. David Kremer and Prof. Orson Welles. The match was ended by the decision of Judge Barrows, which put the match to a tie. The contest was won by Orson Welles, who then knocked out Barrows.

Bolser: To speak on consulting

What promises to be one of the most interesting events of the evening is the meeting of John B. Bolser, Jr., who will speak on consulting. The meeting will take place at the Blacker-Fleming Barn at 7:30.

The meeting will start with a discussion of the consulting business. This will be followed by a talk on the future of consulting in the civil engineering field. The meeting will conclude with a Q&A session.

Boxers: f;esured, seen at y smoker

Paul B. Bolser, Jr., the President of the C.A.T., will introduce the speaker. The meeting will be held at the Blacker-Fleming Barn at 7:30.

This will be an excellent opportunity for those who may be interested in consulting to come and learn more about this fascinating field.

Bolser is a well-known consultant in the civil engineering field and is widely respected for his expertise.

The meeting is open to all members of the C.A.T. and interested individuals.

To register for the meeting, please contact the C.A.T. office at 555-1234.

Lily Interhouse Trophy To Be Offered To Ski Skiers

Here's your chance to get into a ski meet, even if you never thought you could. This race is the first of two races that decide which of the student houses or Theta Club can hold that trophy. The Lily Interhouse Trophy, for the coming year, last year's House Keys took the trophy quite easily, but the contest this year is expected to be a close one.

The first race will be held on Sunday, February 20. The time will be announced later, but permission from Tournament of Roses is still required. It is your chance to get into a ski meet, even if you are not a major ski enthusiast. With the extra effort, you can have your chance at the coveted trophy for your house. With the permission from Tournament of Roses, you can participate in this exciting event.

Frog Nuts

After getting off to a slow start, you can speed up your game and win. Don't let your doubts and fears hold you back. With practice and dedication, you can improve your skills and become a better skier. It's never too late to start. So, if you want to win, just keep working hard and never give up. You can do it! Go for the gold! The Lily Interhouse Trophy is waiting for you.
TOMORROW ASSEMBLY

The meeting will be held in the room where Student Council meets, Tuesday, February 14 at 4:00 P.M. in the bridge.

All interested are invited to attend, with a special invitation to lower classmen. Refreshments will be served.

CE'S ENCOURAGED

Continued from Page 1

The above table contains the number of people involved in a number of the events that took place last week. The distribution of the data is shown in the figure that follows Tuesday March 1st.

Important Offices

The men who are elected will take office at the beginning of the third term, and hold on to the end of the second term next year. These men circle to three offices: control student body affairs during this period, including social, athletic, and financial affairs. Considering the importance of these offices it is hoped everyone will take part in the nominations and elections. The Little Y's take on a description of the offices
