Brews

The chief social activity of the senior class was the ASCIT Dance at the Altadena Country Club. For the seniors, the dance was a chance to make amends for the lack of dates at the football game the last year when only heir was available. At the ASCIT Dance, the girls were dressed in their best attire, and even the boys who were attending the dance were dressed in their finest. The dance was a great success, and the students had a great time.

The other social event of the week was the ASCIT Dance at the Altadena Country Club. For the seniors, the dance was a chance to make amends for the lack of dates at the football game the last year when only heir was available. At the ASCIT Dance, the girls were dressed in their best attire, and even the boys who were attending the dance were dressed in their finest. The dance was a great success, and the students had a great time.

Campus

In addition to the social events, there were several important happenings on campus. One of the most significant was the announcement of the ASCIT Roundup. This event is a tradition at the school and brings together students from all grade levels. The Roundup is held annually, and it is always a highlight of the school year. The other social event of the week was the ASCIT Dance at the Altadena Country Club. The dance was a great success, and the students had a great time.

BOWLING AWARDS OFFERED

Manager Jim McGrath of the Pasadena Bowling Center announced today that he will donate two trophies to the winners of the College League, which began last week.

Petiole Honors

A trophy was given to the man rolling the highest individual game, and the man combining the highest three-game series, 1-1-1, 1-1, 1-1, respectively. These trophies will be given to the winners of the College League, which began last week.

Crowned Special Writers

Our special writers for the week were Harry A. and Bob Bourne. They will be honored at the college league, which began last week.

Dick Marsh, Lee Ross, Eric Johnson

The subscriptions to the school newspaper are being sold. Dick Marsh, Lee Ross, and Eric Johnson are the current distributors of the school newspaper. They will be honored at the college league, which began last week.

The story of the week was the story of the special writers, Harry A. and Bob Bourne. They will be honored at the college league, which began last week.

Barney Ansers

In answer to our question, "Pat" Patterson, our own little "Barney" Barron was able to add a few points to the story of the school newspaper. He pointed out that the editor's intention was to inform the students of important events on campus.

As Tables Turned on Track Team

**The Beaver track team won again by default as Occidental was a no-show at the last meet. The Beaver men turned in outstanding efforts in most of the events, including the superior performance of Thomas Whitten and Thomas Whitmore on Saturday afternoon.**

**Top Men Race**

The meet was marked by many good performances. A number of local splinters. Two of Caltech's first two in the respective events. Dorothy Wagner-Otis was expected to take first in the 1000-yard dash but pulled a muscle almost all the way to the tape. A terrific finish on the 60-yard dash against Pomona.

**Tyler Bartram**

Mr. Tyler should have had first in the 1500-meter race, but he crossed the line last. He was beaten only by one of the best athletes in the country.

**Good Marks**

On the brighter side of the track meet, we turn in good performances. Martin Warner, the 300-yard dash man, was again 15.5. He took some time off and walked off with the event on the strength of a solid 47.3.11 in the 700. Tyler came back, however, and beat Yale in the 600 with a leisurely 1:01 flat.

**Tech Cindermen**

**C R U C I A L , 1 2 - 0**

Fleming defeats Koeps Deboni in Trophy Chase

22 and 100—In the championship of the trophy chase, a tight race to the finish. Although the first score was not made until the last five minutes of the game, Fleming threatened only once, as a result of a dropped pass, and the score could have been 214 if the Green had not had a split end.

**Bayman, Handson Score**

Rut, Bayman, and Handson scored the first TD when he took a low pass from Tom Hamilton and galloped the remaining 20 yards to goal line. The Counties made the only total tackle as Handson crashed into the goal. Fleming threatened once more with the first TD when he took a diving pass at midfield and won possession of the ball on the 40. A 21-yard run by a County scored the TD, and the County defense held firm at the 20, and the score could have been 3-0.

**Bayman vs. Blacker Today**

The Beaver will take on Blacker, with the record predicting an easy win and first place in the Intercollegiate League for the Beaver. Blacker scored points of greater and wider accuracy as they must push through the goal posts, but the Counties will win in the 20-yard end by one just 2-7/8 inches.

TECH GOLFERS DROP MATCH TO POMONANS

The Caltech golf team suffered its first defeat of the season last Saturday at the hands of the Pomona aggregation, 18 & to 7. The surplus of barringcc and Harrington twins covering Pancho Don Lugo, Pomona's home course, proved to be too much for the Techmen. Harry Moore and Ed Herwe, playing one and two spots for the Tech team, were the only men able to stay out of trouble long enough to win their matches. Herwe turned in the low medal score of the day, carding a 76. The rest of the men were able to pick up three and one-half strokes more than a good afternoon.

Spring Practice

All kidding aside, Andy begins putting his piggybanks through their paces this coming Monday on the Tournament Park golf course. And, as usual, he is greatly interested in finding men who are interested in playing the great game. Experience is no critera. With the will to learn the game, and a lot of

WHAT adorable... I smoke Chesterfield

(From a series of statements by prominent tobacco fanatics)

"Chesterfield is my brand. I've been smoking them for about 18 years. I like them because they're mild and really satisfy. I know the kind of tobacco that's in them... it's the best."

"Chesterfield buys the best grades of tobacco. It's mild, light, ripe, sweet-smoking tobacco. They pay the highest prices for their tobacco. It's top quality leaf."

A J. CASSIDELL

Tobacco Farm, Paris, Ky.

WHY... I smoke Chesterfield

ALWAYS MILD. BETTER TASTE. COOLER SMOKING
