In the past year, I have been involved in the development of some of the two most important student organizations on campus, a member, by being a leader in the Student Governing Board and by attending Board of Directors meetings. I would like to continue this involvement, and I believe this is the best way to develop the student body's ability to function and to be leaders in this area.

Raising our pipe, our brain-frothing
glasses glibly together we
note that outside, the French
moon from the Golden Ideas came
to our luxury, checked our
(Pierre's) beard, kissed from the
world. "There anything more you wish,"
Was promptly suggested by that
could put away another few

the double, fulfilling the
happy wish, on the hosts,
how about that?

A note of interjection was

was quite well summarized by

An interesting attitude came
to light in a recent CBS
companion meeting. This group,
which gathers faculty and stu-

option-and-discuss-current topics,
discussed problems of great
importance to the college as well.
This included the more
important of the college as well.

Caltech Downs LaVerne While Stopped by Poets

Coach Ship's boys battered 50-1, this week by outlasting La Verne, 19-34, and by taking the count from Whitier, 4-3. The game in the Armory Tuesday afternoon turned out to be a very loose and rugged contest in which there was almost as many errors as scores. "Dead eye" C.N. kept the Techmen in the running while the rest of the crew was painstakingly trying to put the basketball through the hoop. With the time cBeerem stopped down to a slow crawl, Montgomery got the fever, and the chargebearing LaVerne's aguard found the game out of reach when the two minute ruling came into effect.

Whitier

With this victory under their belt the Beavers journeyed to Whittier Saturday night only to discover the deficiency of errors in their diet. Neither team could find the range during the first half and a 13-1 score in favor of Whitier was the result. Both teams relied upon the zone to protect their respective goals which lead to a tight defensive game. The Beavers seemed to have the edge in conditioning as their fast break failed to bring them points but was enough to dash their opponent.

Tech built up an early leading of 13-7 and for a while it seemed as though Whitier was once again in Coach Ship's mercy, but that number of 11 remained on the scoreboard long enough to see Whittier bring their total to 59 points. Short Storys

During the second half Whitier worked out a long shot and was led by the name of buyer of who wanted to break the back bone of Tech's zone by his range shots. From this point the game was much in Whitier's hands although the Beavers still were fighting, Mont- gomery and Grey leading the attack when the final gun went off.

This was the fifth conference defeat for Tech who have failed to break into the conference winning column since they easily won over Whitier at the PCC gym.

Statistics:

Whitier (13) 1-3	16-3 (10) 1-2

Montgomery (14) 1-3	

Grey (15) 1-2

Track Preview

Thursday afternoon at Whittier College, the Caltech tracksters met their brother track then for PCC and Majoor practice meet. While the score was not kept, roughly American show that by getting a decisive edge in the dashes, hurdles, and all field events except the javelin, was managed to come away by a score of 85% to PCC's 25 and Walts' 17%

Scores

Outstanding Lewis with a first in the 100 and second in the shot, and Tyson with ac- tively the reverse, Vuosio, of Majoor, took first in the hurdles with a beautiful throw of 18' 3". John Aulsen, however, did himself proud with a good 167' 4" throw, his best of the season.

Shoemaker Shines

Dwight Shoemaker amased his usual astounding 15 points with a 12.2 in the 100, a 10.2 in the 120 yard hurdles. Ina top good first in the 70 yard hurdles and Win Scale accounted for the rest of our firsts. How- ever, in the broad jump and pole vault, we had no outside competition.

Continuing our review of track with the hurdles track star,

120 Yard Low Hurdles—Here we're in our glory as well as in such a splendid showing at the Caltech meet of last Saturday. Giving a high time is Seng Hill Irwin. Finishing a little out of the last but just holding on is Kame, Bob Ward, and Bob Ida are on the second line of Whitier, Steers and Deanna of Ox and possibly Warren for the rest of the meet. Dwight figures to be able to handle them, however.

150 Yard High Bar—The track star of the day was Dwight Shoemaker, and he will be a class competitor as far as we know. Irwin is relatively stronger among the hogs in the low. Irwin is relatively stronger among the hogs in the high, Shoemaker is the closest in terms of their own competition which at best we would find in the high. The track record of 114 is with both Schodler and Irwin doing 113.3 or 114.3 so far.
