Seven Colleges Await Saturday Festivities

Sings, music, jokes, satire, a pageant, press parties, dances, and all kinds of a bargain price, this year’s gala in the Southland is a reality. So, too, are CMC, the A.S.C.I. and the CMCU, collectively plan-
ing the Sixteenth Annual Student Festival for this Saturday, May 6, in four outstanding buildings.

Reddies will present a television show; Oxy, a modern dance and glee club show; Pomona, a variety show, and Whittier, some faculty perform-
ing. At Brown, for the first time, the presenting group, the A.S.C.I., and the CMCU, are collectively plan-
ing the program.

Beve Talbot, President of the CMCU, said the show will have an air of fun and grace which is rumored to edge its way into our television set. The CMCU is proud of the fact that it is presenting a program at the Sixteenth Annual Student Festival.

We’ll have our own quarter bands.

The格式 makes us believe that Pete Paul, George Abell, Bob Goltry, Bill Talbot, Walt den Hartog and the many others who have committed themselves to the program.

Five Minutes After Five will be the time for the show to begin, and the program will continue until eight of the evening.

The horrors and heads of licentious should be found away by the lights to Titlette, South, Gettysburg, Your Kosy, Battle of Rym on and the Queen’s Noyce.

Each of the five parties will be given five minutes to present their show before the lights are turned on again for the next party.

More than just providing entertainment for these five school parties will be the other five who will present the other five shows which will be announced later.

Drop your cider sculls, snakes, this show will be good!
Director's Report

A sampling of opinion on government-education relations has shown that there is much to be desired. Many undergraduates believe that the administration is out of touch with the realities of student life. They find it hard to get their voices heard on the ARCT committee without running the risk of being labeled as troublemakers. Various student groups have expressed a desire for more direct involvement in the selection of faculty and personnel. The administration has made some progress in this area, but more needs to be done.

Dues will not be increased for the next year.Only $1.00 is necessary to cover the cost of the yearbook. The balance of the dues will be used to cover the cost of the alumni newsletter and other student publications.

Chairman's Report

The budget for the coming year has been approved and will be presented at the next meeting of the Board of Directors.

Secretary's Report

At the last combined meetings of the student body presidents and the student body delegates, the following resolutions were passed:

1. The idea of having a student body president and the student body treasurer was approved.
2. The idea of holding a meeting of the student body representatives of all the schools was approved.
3. The idea of having a combined meeting of the student body representatives of all the schools was approved.

The next meeting of the Board of Directors will be held on the 15th of next month.

Fleming Plans Barn Dance: Buys 45 Discs

Picking, Glandon (Thorn) have planned a joint barn dance to be held at the Glandon farm this Friday. Eddie Charles’ regular band will lead with pay from 8 to 10 with brief interludes for the unusual recreational activities. The selection of Fleming’s all-new collection of old-time CSID records at a music dance last Friday met with unqualified approval by everyone present. The new records were bought with Fleming’smites surplus funds, after Purdy had loudly proclaimed their main included advantages, as a much-needed replacement for the Binny old-time worn collection.
