LaTourette New Soph President

Join Fei, Frank Lang, and Jim LaTourette were chosen to hold the senior, junior, and sophomore positions, respectively, at the fall assembly.

Completing the list of new class officers are Ray Greutert, president-elect; Pitt Peck and Neil Ping, board of trustees.

New debuts rival candidate websites where students could rate the candidates by narrow margin.

**Libbey Sets New Record As Tech Tankers Place Second**

As someone observed after the Conference Relays a few months ago, "Well, Covid put the air in the game division." But if the Rosemead swimmers did not have better luck last Saturday than just come in second to Oxy. For three of five events placed in the Optional, five of the top spots went to Oxy and one to Whittier.

Two-thirds of Caltech's 37 points were brought in by the two Richards, Libbey and Van Herlen. Libbey was high point man among all the swimmers present with a total of 14.

**Sets School Records**

Besides winning both the 100 and 160 yard sprints, Libbey also set new school records in both events during the preliminaries on Thursday. His own score of 37.8 set last year in the preliminaries, was lowered to 36.4 and the mark of 34.8 in the 100 set by Piemonte in 1956 has been reset at 34.7.

Van Herlen set new records, but he did show one and for all, that he is in better shape than Oxy's W. Chaskey, after placing second to him in the preliminaries. Van also took third in the 50 free, an event he is expected to win in two weeks ago.

Brad House, showing great endurance and guts, took third in the 100.

**Libbey's School Record**

He broke the school records for the 100 yards and in the 400 yard medley relay.

**Frosh Sports Roundup**

By Perry Torrance

The frosh conference competitions laid the groundwork for the varsity team that won the league meet and is now preparing to face the league title game. Oxy and Caltech are the top teams in the Frosh field for the meet.

**Tech Swimmers Set New Records**

Most of Caltech's scoring came from Friday night by taking the breaks when they came. In the first inning against Whittier, Miller singled, Slater singled, and Katsavana came home to score on a fly. In the third inning after two outs had been recorded, Libbey scored Wiffler, Pfeiffer singled and Wiffler was on first. In the fifth inning Stalnaker scored on a Caltech hit and Slater then singled to score Stalnaker. Slater then hit a home run off of a pitch by Clopton. Katsavana then scored on a fly hit by Slater. The lead off batter for Oxy hit a home run off of one of Caltech's runs. The other was scored when he was hit by a pitch and was on first for a double play. Both of the runs were in the first inning.

**Lady Bear Wins 7-1**

Cullum's varsity tennis team came back to beat La Verne ten to eight in straight sets. Directing pitching for Caltech he gave up only eight runs in three innings, five in the first, one in the second and two in the third. The game was a little ragged in the line-up making a few errors which gives them some of the Caltech players pitched up to line-stitching. Now Grejby took over for one good inning without any trouble. Stallkamp was his catcher and Oxy scored two runs in the first inning.

Henderson scored on a ten-run six-inning. Five of the runs came on an error and five were run on nine runs all fall. The opposing pitcher would walk a man or would hit a man.
