ASCE Given Report Award

Caltech's ASCE student chapter was recently honored as Certificate of Commendation for the academic year 1946-47.

The award was given to the chapter at the recent ASCE Student Chapter Convention in the spring of 1947.

Attention Juniors!

The last class meeting of the year will be held in 206 Dabney, at 11:00 A.M. The purpose of this final meeting will be to discuss general matters of the upcoming junior year—especially financial plans. It is hoped that the painful ordeal of course ranking can be put off until the next semester, in which the Junior Open meeting will be required.

Week of Activities Scheduled For Seniors

Seniors! Your week is coming! Yes, Seniors will have the week of June 5 to June 12 to recover in, before that last show down into the hall of fame. The last show will be as the seniors get to enjoy being the two favorites—High Voltage by Dr. Seussen and Lunch on the Lawn.

Starting at 9:30 there will be a film on Polomar shown at Culbertson Hall.

Two demonstration lectures are scheduled—one at 10:00 and the other at 3:00. The former will feature Hal Millikan over Gil Pappin after two runs off the track. The latter will feature the President's Tea on the Alumnae Home. Of course, Seniors, parents and guests are invited to this event.
two weeks ago, in this column, we kicked around some of the reasons why students and some in our administration decided to make this column a regular feature. We must all agree that there is something wrong with what has been happening in our campus community and that it has come to a head recently, and it is time for us to think through this crisis at this time.

With student protests and the Governor's call for a new contract, we have an opportunity to do this. This opportunity is one that we should not take lightly. It is time for us to think through the issues that are at the core of our disputes and to come up with a solution that will satisfy the needs of both the administration and the students.

We will be holding meetings on the issue of the contract next week. It is time for us to think through the issues and come up with a solution that will satisfy the needs of both the administration and the students.

Redlands, Caltech Embers Lead to High Score; Karasawa, Smith Homer

Caltech's varsity baseball team won the season last Saturday with a hectic 14-13 win over Redlands. The team collected six runs on nine hits, with eight singles, two doubles, and one home run.

The Beaver started out right in the first inning. Karasawa led off with a home run. When Gray came up to bat, he was put out by a beautiful play by second baseman Stellkamp and single, both of which were taken out of the field by Koons. Then Smith hit a single and Needless and Smith were scored out of the field by Koons and Pfeiffer. In the mean time, the pitcher, Pfeiffer, put a perfect play behind Karasawa.

Two out and no one on base, when Brown hit a single, Munro batting for Gray and looking to lead the bases, and Wise hit a single to place the team in scoring position. The pitcher then walked Suddafer, leading the team to the final score of 13-13.

The game had two more innings played with neither team scoring, resulting in the final score of 14-13.
